description:

Penthouse located on the coast of Casares, one of the most charming towns on the Costa del Sol.

This development is made up of penthouses and flats with magnificent qualities both inside and in the communal areas of the properties. Its Mediterranean architecture, landscaped areas and two outdoor swimming pools give this fantastic development a very special appeal.

Its location is exceptional, as you can take advantage of the tranquillity of the area and have quick and easy access to exclusive places such as Sotogrande or Marbella. Shops, restaurants, bars, golf courses and a wide range of leisure, social and cultural activities are all within easy reach.

In addition to this one, there is another penthouse available with similar characteristics.
