description:

New exclusive multi-family complex of 66 homes, from 89 square metres, with 2 and 3 bedroom flats, and close to the beach in Estepona.

A residential complex designed with relaxation, comfort and families in mind. A modern design that is complemented by a spectacular swimming pool, large green areas and sea views from almost all the flats.

Its large terraces stand out, which can be enjoyed all year round.

Only 700 metres from the beach, this complex is a reference in the area, the first urban development in this sector of Estepona. A unique opportunity.

The photographs correspond to one of the show flats. The flats are already finished and ready for delivery.
